PHOTOGRAPHIA

A MOBILE PHOTOGRAPHY EVENT

IEEE SIT SB

About Photographia:

“Good dreaming is what leads to good photographs.”

So here comes the exciting and interesting event you have ever come across. **Photographia** is a artistic program organized by the team **IEEE SIT SB** in the event **IdEEEas**. It is about finding something interesting in an ordinary place. All you need is a mobile phone and some creativity. We promise, you will have fun while participating in this event.

Theme: It will be given on the event day.

IEEE SIT SB

Event flow:

There are two rounds:

Round 1: Registered participants will get a mail on the day of event in which they need to fill the google form within a specified time. An on spot theme will be given. Participant need to click a picture using cell phone out of the theme and upload the same within the given time.

IEEE SIT SB

Event flow:

Round 2 : Top ten participants will be selected from the first round. They will be noticed through mail. Then a meeting will be scheduled over which the top 10 contestants need to explain their view on the content in their picture. The best explanation with the best photo will be rewarded.

IEEE SIT SB
